Smoke Shop Inventory Checklist

Free Retail Inventory Planning Worksheet

Category	Product / SKU	Starting Qty	Qty On Hand	Reorder Point	Wholesale Cost	Retail Price	Margin %	Supplier
Glass & Pipes								
Bowls & Accessories								
Grinders								
Rolling Products								
Lighters & Torches								
Dabbing Accessories								
Storage & Cleaning								
Other Inventory								

Inventory planning tip: Use actual sales and reorder data to adjust target stock levels over time. Avoid overcommitting opening inventory dollars before you know which products sell fastest in your store.
